**INFORMATION LETTER № 1**

The 7th International Conference "**Cliodynamics: complex systems analysis and mathematical modeling of global, regional and country dynamics**" will be held on June 2-4, 2014 at the National Research University "Higher School of Economics" (Moscow, Russia). The conference is devoted to the use of mathematical methods and models in historical and socio-economic research.

**If you do not exclude your participation in this conference, please, let us know as soon as possible using the following address: [cliodynamics2014@mail.ru](mailto:cliodynamics2014@mail.ru).**

The conference is expected to discuss the following range of issues:

Session 1. Complex systems analysis of unstable processes, processes of political and social self-organization (nonlinear dynamics of sociopolitical processes);

Session 2. Patterns of sociopolitical evolution and world-system dynamics;

Session 3. Scenarios of political and economic processes in Afro-Asiatic region;

Session 4. Methods of historical and political studies;

Session 5. Spatial political, demographic and economic processes in history;

Session 6. Influence of natural factors on historical processes;

Session 7. Conflicts in the past and in the future: problems, possibilities, and limitations of forecasting.

Conference working languages are Russian and English.

An official application for conference participation and abstracts (no more than 3 pages with 1.5 line spacing, 14 pt) are to be sent in English or in Russian before April 1, 2014 to the following e-mail address:

[cliodynamics2014@mail.ru](mailto:cliodynamics2014@mail.ru).

The application should specify the following information: the subject of your paper; your name, academic degree, affiliation, position, phone number, e-mail, fax, and whether you need a hotel or not.
